ULTRATAPE INTRODUCES NEW HIGH-PERFORMANCE CLEANROOM LABEL PRINTER

Wilsonville, OREGON March 7, 2017 UltraTape, a division of Delphon and leading supplier of cleanroom tape, custom labels and graphic overlays, announces the release of its **UltraLabel PRO-600** series cleanroom label printer. The new desktop label printer, designed for critical environment applications, offers enhanced functionality including print resolution of 600 dpi and a user-friendly TFT display.

The high-resolution label printer supports a range of label-making applications including 2D, barcoding, serialization, inventory control identification, product labels, pipe markers, and GHS labels. The UltraLabel PRO-600 is compact and versatile and can easily be integrated into any cleanroom environment. The printer and all related supplies are cleanroom certified and packaged to keep them free from contaminants.

Background:

UltraTape

Located in Wilsonville, Oregon, UltraTape, a division of Delphon, manufactures high quality cleanroom tapes, labels and graphic overlays for critical environments. The ISO certified company maintains a cleanroom manufacturing facility to assure particle-free and residue-free products that meet even the most stringent standards.
