ULTRATAPE EXTENDS DISCOUNT OF UP TO 30% ON ADDITIONAL TAPES

SALEM, OREGON AUGUST 14, 2008: UltraTape Industries, a division of Delphon Industries and manufacturer of adhesive tapes for critical environments, is now extending its special discount program (up to 30%) to include white one-inch polyethylene tapes. Previously the discount applied only to white two-inch polyethylene rolls and white one-inch and two-inch vinyl rolls. The discount will be in effect only until September 30, 2008.

UltraTape announced the discount on its two-inch polyethylene and one-inch and two-inch vinyl white tapes in July of 2008. "Customer response was so great for the discounted tapes, that we extended the program to include the polyethylene one-inch," says Keith Taft, General Manager. "These promotional prices are the lowest we've been able to offer in 5 years." Customers must act quickly, as these prices are only in effect for orders placed before September 30, 2008.
