UltraTape Releases New Floor Marking Tapes and Customized Floor Marking Shapes

October 1, 2009. UltraTape Industries, a division of Delphon and the premier supplier of Cleanroom tape and labels to the Aerospace, Semiconductor and Medical industries, announced today the release of its new line of Floor Marking Tapes and Customized Floor Marking Shapes. These tapes and shapes are designed to promote organization and safety by identifying specific areas within your workspace.

UltraTape's floor marking tapes are made from a durable polyester overlamine on a vinyl tape backing. The ultra strong adhesive keeps the tape in place to withstand heavy traffic. The tapes come in both solid colors and OSHA striped colors. UltraTape will also customize floor marking shapes to meet the specific needs of your application. As with all UltraTape products, these tapes and customized floor marking
